Subject :- Request and Recommendation for the clearance and pass the immigration.

Dear sir /madam

As we come to know that an American passport holder Mr Ayush Poudyal Passport No 505900010 is the dependent of a Nepali Family and bound to Nepal, to visit his parents, who is now waiting there to board, but because of the passport validity less than six months, he could not proceed the boarding. For the same, I request and recommended you to proceed him to Kathmandu. We have no problem in Nepal, to give him the permission to arrive. Furthermore, we will assist him to renew his passport from the concerned Embassy in Kathmandu, Nepal, so that he gets new passport from here very soon. Thank you for your cooperation and consideration.
